The Neighbourhood Forum is for everyone who lives or works in the area. Our aim is to produce a 'Neighbourhood Plan' which defines our collective aims and aspirations for the area. This can encompass the preservation of community resources and green spaces, decisions on new homes and shops, transport and sustainability.

Join us for the first Dartmouth Park Walkabout: a chance to get to know the area better, meet neighbours and the first step in the process of coming together to create a plan for the area.
